

Education Outreach

Texas Workforce Commission

We help students make better informed career decisions, through Labor Market and Career Information tools and resources, empowering them to understand and apply this information to their future plans.

What's in your student's future? We can help.

Call our Career Information Hotline at **1-800-822-7526** for a **FREE** Counselor Packet that contains samples of our printed products

Want our help?

WHAT WE NEED FROM YOU...
