Subgroups are combined respectively in the un-shaded cells to the immediate right and are not double counted in totals in right-most column.

1,646 students/participants were found receiving Unemployment Insurance Benefits at the 4th quarter of 2007.

Working = if located in Texas UI wage record for target quarter (4th qtr. 2007, earnings > \$0), or located through linkages to military (DoD), federal civil service (OPM), or Postal Service (USPS) records.

Not verified means the former students/participants were not found in TWC's UI wage database or in DoD, OPM, USPS, TBVS, or THECB master enrollment file.

n/a is used to protect confidentiality in case of small cell size (less than 5).

38,650 persons were found to be working. This is 73.4% of the exit cohort. Of those found to be working,		
N	%	were located through linkages with:
38,226	98.9	TWC UI Wage records
171	0.4	Department of Defense records
162	0.4	OPM (civil service) records
91	0.3	Postal Service records
<b>38,650</b>	<b>100</b>	<b>Total found Working</b>

According to record linkages with the Texas Higher Education Coordinating Board's master enrollment file, 4,100 persons were found to be enrolled in a public postsecondary institution in Texas. This is 7.8% of this exit cohort. Of those found to be enrolled in Texas postsecondary institutions		
N	%	in Fall 2007, were found enrolled in:
2,981	72.7	Community and/or Technical Colleges
1,011	24.7	Public and Private Universities and Health Science Centers
107	2.6	ICUT
<b>4,100</b>	<b>100.0</b>	<b>Total Found Enrolled in a Public Postsecondary Institution in Texas</b>
