This report was prepared by the Follow-Up unit of the Texas Workforce Commission's (TWC's) Labor Market and Career Information (LMCI) department. The report was written by James Loiselle. Hiwot Berhane requested and processed the seed records, and performed the linkages with all databases. The entire report process was supervised by Ruben Garcia, Follow-Up Manager, whose insight and expertise contributed greatly to the project. A warm "Thanks" also goes out to all the other LMCI staff who contributed directly and indirectly to this report.

LMCI recognizes and thanks all of the TWC's partner agencies in the Workforce Development System of Texas: Texas Workforce Investment Council (TWIC), Texas Higher Education Coordinating Board (THECB), Texas Education Agency (TEA), Texas School for the Blind and Visually Impaired (TSBVI), Texas School for the Deaf (TSD), Texas Department of Assistive and Rehabilitative Services (TDARS), Texas Department of Criminal Justice (TDCJ), and the Texas Youth Commission (TYC).

LMCI thanks the following TWC personnel for their commitment to the follow-up process by providing data and program insight to LMCI: Ross Evans, Evelyn Hight, Jackie Coley, Carlos Capello, Cub Curtiss, Tammie Holievina, Dave Smith, Jack Bao, Mike Brasel, Greg Black, Desi Holmes, Loretta Robertson, Debbie Carlson, and George McEntyre.

LMCI is extremely grateful to Gabriela Borcoman and Janice McIver of the Texas Higher Education Coordinating Board (THECB) for coordinating the linking of seed records to the Unemployment Insurance (UI) wage records and to the THECB's public postsecondary Master Enrollment (ME) file and providing LMCI with summary tables and electronic files depicting the results of seed record linkages.

Each partner agency participating in this year's study was responsible for writing the chapter pertinent to the education and/or workforce programs under their jurisdiction. LMCI greatly appreciates the time and effort of the following persons for the time they took to analyze and write the reports: Dr. Gabriela Borcoman, THECB and Karen Batchelor, TEA.
